1. BASIC DIGITAL LITERACY SKILLS

In this module people with little digital skills will have the opportunity to start in the training course without prior knowledge, learning how to do basic day-to-day community activities with safety.

2. ONLINE SOCIALIZATION AND COMMUNICATION

It offers people with limited digital skills the opportunity to put a stop to their isolation from their community, family and friends by using social media to communicate and express themselves safely.

3. DIGITAL LEISURE AND E-LEARNING

Here the learners will discover more about the online opportunities available to have a fulfilling leisure time and share it with other people in their community, either by learning about subjects they enjoy or by taking advantage of online entertainment opportunities.

4. ONLINE OPPORTUNITIES FOR VOLUNTEERING

The main goal of this module is to promote proactive search for volunteering opportunities, as well as empowering people by recognizing their strengths.

5. ONLINE ADVOCACY/ACTIVISM

In this area the learners will explore the principles of remote advocacy and the ways to participate in activism online.
